NORTHWEST REGIONAL AAHPER CONVENTION - BILLINGS
APRIL 12 - 14, 1979

3 0864 1006 2589 9

FROM SPENCE:

Well, we are just about done with another school year. I have been scheduling workshops for the summer and have some that may interest you.

June 10-15 - Golf Clinic at Laurel
June 11-15 - Tennis Workshop at Bozeman
June 11-15 - Outdoor Education at Livingston
July 15-21 - Outdoor Education at Dillon

Please contact me for any additional information on these workshops. If you have material for the newsletter or need help in an area of health or physical education, please write or call me on the toll free hotline.

MONTANA LEGISLATIVE REPORT

A bill was introduced in the Senate (SB-178) which required each elementary and secondary school to develop a course of study in the hazardous effects of marijuana. The bill was co-signed by every senator.

During the senate hearing on this bill, Dee Anna Stahlaker (Carroll College) testified in opposition representing MAHPER. Also testifying in opposition were Oral Behunin and Bill Serdahley of Montana State University. The committee then made several amendments to the bill and voted 8-2 to recommend killing the bill. Dee Anna, Oral and Bill did an excellent job representing all of us around the state who work with health education. Some of the reasons for opposition to the bill were:

1. Do not want legislated curriculum
2. Factual approach may lead to more use
3. Evidence is inconclusive
4. There appear to be some beneficial uses
5. Does not take local needs into account
6. Educators untrained to deal with holistic approach
7. Why not legislate a total health curriculum?

NORTHWEST REGIONAL AAHPER

The Northwest District AAHPER Convention will be held April 12-14 at the Ramada Inn in Billings, Montana. This is an excellent opportunity for Montana Health and Physical Education teachers to get information on the latest developments in their fields. Sessions dealing with elementary and secondary physical education, health, outdoor education, handicapped physical education and many others will be presented.

For further information, contact Dave Oberly, Convention Manager, Billings District No. 2, 101 Tenth Street West, Billings, Montana 59102.

BROOMSTICKS

To begin the activities, two students grasp the ends of the two broomsticks and balance a ball on them.

1. One student lowers the ends of the sticks, allowing the ball to roll toward him/her. Alternating their movements up and down will cause the ball to roll back and forth on the sticks between the students.
2. The students toss the ball into the air and catch it on the sticks.
3. The ball can be dropped to the floor and caught on the sticks when it rebounds from the floor. It may also be tossed in the air and caught on a high bounce.
4. The students may see how many times they can make the ball bounce from one stick to the other before the ball falls to the floor.
5. The ball may be allowed to drop to the floor. On the bounce, the students begin dribbling the ball by striking it with both sticks at the same time.
6. The students drop the ball to the floor allowing it to bounce. When the ball bounces into the air, the students go around the ball quickly with both sticks and catch it on the second bounce. The sticks actually circle the ball once.

HANGING HOOP MAZE

A series of variously colored hula hoops are suspended by strings from a rope strung between two volleyball standards.

Children are instructed to walk through the pattern, weaving in and out of the hoops without touching them. They are then asked to move through each hoop without touching any part of the body to the hoop.

One child at a time is given orally a color combination, such as red-blue-yellow-white. The child then passes through only those hoops given in the directions and in the correct order. The number of colors listed varies with the child's retention ability. Colors may be repeated in the directions, such as red-yellow-red-blue-white-red.

A series of cards is provided for the child. One set has colors, another set has pictures of various body parts with the name of the part written below. The child draws one card from each set and then follows the directions by placing the designated body part inside the hoop of the color drawn. He/she holds this position until all other children in the group have performed the same task. Thus, two or three children may be using the same hoop at the same time, but different body parts will be involved.

MONTANA HEALTH - VITAL STATISTICS

LEADING CAUSES OF DEATH BY AGE GROUP
Montana, 1977
(By Place of Residence)

ALL AGES

UNDER 1 YEAR

1-4 YEARS

5-14 YEARS

15-24 YEARS

25-44 YEARS

45-64 YEARS

65 YEARS AND OVER

The four leading causes of death in Montana are heart disease, cancer, stroke and accidents in that order. Over half of accidental deaths (52.6%) were motor vehicle deaths.

PRESIDENTS MESSAGE

Dave Oberly

It appears that winter has finally ended! Hopefully, the snow will melt in time for everyone to get outside as scheduled this spring.

March 1-7 was designated as National Sports and Physical Education Week and many schools across Montana took part by doing something special to promote physical education in our schools.

Governor Judge also signed a proclamation (see proclamation on another page) regarding Montana's participation in this week. MAHPER thanks all of those people who contributed to help make National Sports and Physical Education week a success.

MAHPER WORKSHOPS

MAHPER is presently working with the Office of Public Instruction in promoting statewide workshops.

Tri-State Golf Seminar June 10-15, 1979 Laurel Country Club,
Laurel, Montana

The National Golf Foundation will be co-sponsoring a golf workshop at Laurel June 10-15. This is a cooperative project between MAHPER and the states of Montana, Wyoming and Idaho.

This workshop is designed to teach teachers how to teach golf as well as improve your game. For more information contact Spence Sartorius.

Outdoor Shooting Sports May 5-7, 1979 Big Timber, Montana

The National Rifle Association, Montana Fish and Game, OPI and MAHPER will be sponsoring the third annual Outdoor Shooting Sports workshop. As in the past, we should have another exciting event on the upper Boulder River.

This workshop is a continuation project which started three years ago to promote shooting sports and outdoor activities.

Other workshops co-sponsored by the Office of Public Instruction will be conducted during June 11-15, 1979. Topics include Tennis and Outdoor Sports. For more information on these workshops, contact Spence Sartorius.

STATE CONVENTION

"Get It Together in 79"

October 18 & 19, 1979

The MAHPER board of directors will be meeting in Billings on Friday, April 13th to organize, plan and schedule the state convention which will be held October 18 and 19, 1979.

If you have any questions or concerns, please contact your board members.

President-elect	Patti Wetzel	Laurel Schools
Past President	Helen Chrest	Helena Schools
Secretary	Deb Agnew	Billings Schools
Treasurer	Emilee Dekam	Helena Schools
Vice-Pres. Dance	Nancy Jones	Rocky Mtn. College
Vice-Pres. Health & Safety	Mary Murphy	Bozeman Schools
V.P.-elect Health & Safety	Dee Anna Stalnaker	Carroll College
Vice-Pres. Phys. Ed.	Virginia Backstrom	Sidney Schools
Chairperson-elect Phys. Ed.	Mike Fischer	Manhattan Schools
Chairperson Recreation	Mary Ahlers	Bozeman Schools
Chairperson-elect Recreation	Rick Kendall	Missoula Schools
State Supervisor	Spence Sartorius	OPI - Helena
PEPI	Roger DiBrito	Missoula Schools
Chairperson Athletics	Nyles Humphrey	Western Montana College
Historian	Frank Reich	Missoula Schools
Student Representative Advisor	Gary Evans	Montana State University

State of Montana

Proclamation

WHEREAS, physical activity is essential to health and the total development of all people; and

WHEREAS, it is essential that children have opportunity to develop their full potential through a total education; and

WHEREAS, all people responsible for the health and education of children deserve to learn about expanding opportunities in sport and recreation; and

WHEREAS, it is important that children learn the sports and other physical skills that lead to participation, enjoyment and good health throughout life; and

WHEREAS, during the week of March 1-7, 1979, the American Alliance for Health, Physical Education and Recreation in cooperation with affiliates and friends will emphasize the importance of health and safety, physical education, dance and recreational opportunities in homes and community,

NOW, THEREFORE, I, THOMAS L. JUDGE, Governor of the State of Montana, do hereby proclaim the week of March 1-7, 1979 as

PHYSICAL EDUCATION AND SPORTS WEEK

and urge all Montanans to work for improved physical health and well-being.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the GREAT SEAL OF THE STATE OF MONTANA to be affixed. DONE at the City of Helena, the Capital, this

ninth day of February, in the year of our LORD, one thousand nine hundred and seventy-nine

ATTEST:

THOMAS L. JUDGE
Governor of Montana

SUMMER SESSION - 1979 DEPARTMENT OF HEALTH AND PHYSICAL EDUCATION

John Dayries, (Chairman); Professors John Dayries, Walter Schwank; Associate Professors Mauda Lorenz, Gary Nysgaard, Fred Stetson; Assistant Professors Harley Lewis, Kathleen Miller, Naseby Rhinhardt, Tom Whidden, Instructor Sharon Dinkel

Pre-Session: June 11 - 15, 1979

Students register and pay for these Pre-Session classes by a separate procedure administered by the Center for Continuing Education, Main Hall 107, University of Montana.
